

PLEASE CUT OUT AND MAIL WITH YOUR GIFT TODAY

UNITED WE CAN PREVENT HOMELESSNESS

The difficult economy has already displaced hundreds of Rhode Islanders from their homes, and more will follow if we don't come together to prevent it. United Way of Rhode Island has established the **United Way Fund to Prevent Homelessness in RI**. One hundred percent of dollars donated will be distributed directly to people who are in danger of losing their homes. Your contribution will help people pay rent, make a mortgage payment or deal with other household bills and stabilize their financial picture. **United Way will match contributions made before March 31, dollar-for-dollar up to \$100,000.** So your contribution to this important need will be doubled.

Please help your Rhode Island neighbors in need now! Complete the information below and send your check with this ad to United Way of Rhode Island, 50 Valley St., Providence, RI 02909; or make your credit card contribution by dialing 2-1-1 or visiting us on the web at www.LIVEUNITEDri.org Thank you for LIVING UNITED!
