COVID-19 Response Fund Grants (as of May 6, 2020)

From its jointly established response fund, the Rhode Island Foundation and United Way of Rhode Island have awarded a total of $7.2 million in grants to 181 local organizations at the forefront of COVID-19 response.

To date, grants have been awarded across five rounds of funding. A grants review committee, comprised of members from RIF and UWRI, are working together to review applications and make funding decisions.

Below is a list of grantee organizations and a brief description of what each grant will support.

**Round 6 Funding: $1,450,000 (May 5, 2020)**
